ing the revised scale & recommends the continuance

a Drill Instructor to Shimoga is very necessary

by Government of the Extra hand.

The D. G. of Police Explains that the necessity for a drill inspector to the District Police School at Shimoga was not taken into Consideration when a revised scale was sanctioned for that District, though one is absolutely necessary to impart drill instruction. It is also stated that the Sanctioned scale of Duffedars for Shimoga District is much less than that for Chitaldrug, though (in the opinion of the Deputy Commissioner, Mr. Chandy) the former is a heavier District.

This no doubt true that Shimoga has got a slightly heavier record of Crime than Chitaldrug but it must also be remembered that the latter District has got a more Extensive British Border and is Consequently more Exposed to depredations by Criminal Gangs from the neighbouring British Districts. It is on this account that a larger number of Duffedars than has been Sanctioned for Chitaldrug.

There is however greater force in the other argument urged by the D.G. of

GPB—50,000—17-3-07

Police viz that a man is required to instruct the ~~recruits~~ men attending the Police School (Shemoga) in ~~Lord~~ drill.

As provision has already been made in the Budget for the above, Sanction may be accorded for the continuance ~~prolongation~~ of the drill instructor as proposed. The Comptroller has stated that pending orders of Government he has allowed the provision in the Budget to remain.

The question, whether the sanction if given, is to extend only for the current year or permanently, has also to be considered.

apparently by oversight

From the D.O. attached it is clear that provision for a Drill Inspector to the Shimoga District police School was not made when the Investigation Centre Scheme was first sanctioned as an Experimental measure in 1905. The Scheme was later on finally Extended to the Districts. Shimoga had a Drill inspector for the School ~~and the Asst. Insp. General~~ under the old Scheme; and one has been sanctioned for each of the other Districts Except Mysore & Bangalore in the final Scheme Sanctioned by Government on 24th March 1908. Proposals for re-distribution and reallocation of the Police force in Bangalore and Mysore, including a provision for drill inspectors for the Schools in those places are now before Government (they will be submitted separately).

The present proposal of the DG in regard to Shimoga may be sanctioned at least for the present year, as it is included in the Current Budget

Sir,

With reference to your No.2122/148 dated 14-10-1908 I have the honor to state that the Drill Instructor belongs to the District Police School and his appointment was not taken into consideration while sanctioning a revised scale to this District. A Drill Instructor is very necessary to impart instruction in drill to the District Reserve men and I therefore recommend his continuance and his appointment being added on to the District Reserve.

As the number of Daffedars and men in this District is only 48 and 467 respectively as against 56 and 521 respectively in the Chitaldrug District, though this is a heavier District, the addition of a Daffedar from the District Police School to the District Reserve seems necessary.
